## 5 Days Kenya Cycling Safari

**\$1900 per person (2 person minimum)**

## 5 Days Kenya Cycling Safari

Embark on an extraordinary adventure with our 5-day Kenya Cycling Safari. This unique safari combines the thrill of wildlife encounters, the exhilaration of cycling, and the tranquillity of basic camping in the heart of the African bush. Immerse yourself in the sights, sounds, and beauty of Kenya's remarkable landscapes as you pedal through iconic national parks and enjoy unforgettable camping experiences.

### Day 1: Nairobi - Lake Nakuru

Your safari begins with a pick-up from your Nairobi hotel or the Nairobi Airport. After a brief safari briefing by our guide, we'll depart for Lake Nakuru, a journey of approximately 2 hours. Lake Nakuru is renowned for its abundant flamingos, pelicans, and white rhinos. Upon arrival at Makalia Camp Site, located inside the national park, we'll enjoy a delicious lunch. In the afternoon, we'll embark on a game drive to spot the diverse wildlife of the park. As the day draws to a close, we'll return to camp, surrounded by the serene ambiance of the African bush.

### Day 2: Lake Nakuru - Lake Bogoria

Start the day with an early morning game drive at 6:30 am, followed by a satisfying breakfast. After breakfast, we'll join our team with mountain bicycles outside the park and begin an exhilarating 50 km ride to Lake Bogoria. The route takes us across the equator in the Northern Hemisphere and promises a fun and enjoyable cycling experience with gentle slopes. A fully stocked back-up car will accompany us, carrying your lunch, bottled water, spare bicycles, a repair kit, and a bicycle repair expert. Upon arrival at Lake Bogoria, our camp will be ready and waiting, offering comfortable tents and a delicious meal. Gather around the campfire in the evening for captivating African stories.

### Day 3: Lake Bogoria - Lake Baringo

After a hearty breakfast, we'll set off on our bikes, covering approximately 30 km to reach Lake Baringo. While the distance may seem shorter, be prepared for an 18 km challenging hill that will test your endurance. Throughout the journey, our back-up car will provide support, ensuring you have ample drinking water, snacks, spare bicycles, and a repair kit. Upon arrival at Roberts Camp, our team will

# Jossy Travel

welcome us to our new home, complete with set-up tents and a scrumptious meal. Spend the afternoon relaxing and rejuvenating. In the evening, indulge in a delightful dinner by the fireside.

## **Day 4: Lake Baringo - Lake Naivasha**

Today, take a break from cycling to rest and recharge (unless you opt to cycle back to the starting point in Nakuru town, which should be specified during booking). We'll depart by car for Lake Naivasha, a picturesque lake where we can relax by the lakeside. After a 5-hour drive, we'll arrive at Creator Permanent Camp, known for its tent-like houses with self-contained amenities, including hot showers. Enjoy the afternoon at leisure, perhaps taking a dip in the swimming pool, surrounded by the serene beauty of Lake Naivasha.

## **Day 5: Lake Naivasha - Nairobi**

On our final day, after breakfast at 8:00 am, we'll depart for Nairobi, reaching the city by lunchtime. Alternatively, you can opt for an additional 1-hour boat ride on Lake Naivasha (extra cost), further immersing yourself in the natural splendour of the area. We'll drop you off at your hotel or the Nairobi Airport, where you can continue your journey or catch your international flight back home.

## **Bike Information -**

### **Bicycles:**

We provide a range of high-quality bicycles suitable for different preferences and needs. Whether you prefer a comfortable city bike, a rugged mountain bike, or a speedy road bike, we have you covered.

### **Mobile Bicycle Workshop:**

To ensure a seamless cycling experience, we have a dedicated mobile bicycle workshop at your service. Our workshop is equipped with state-of-the-art tools and equipment, allowing us to provide on-the-spot repairs and maintenance. Our skilled technicians can handle a wide range of issues, from fixing a flat tire to adjusting brakes and gears. With our mobile workshop, you can enjoy peace of mind knowing that assistance is just a call away.
