1 Day Tsavo East National Park.

\$260 per person (2 person minimum)

Join us on an unforgettable adventure as we embark on a thrilling one-day journey from Mombasa to the captivating Tsavo East National Park. Get ready to witness the awe-inspiring beauty of Africa's wildlife and immerse yourself in the natural wonders that await.

Tsavo East National Park, located in south-eastern Kenya, is one of the largest and oldest national parks in the country. Covering an expansive area of over 13,747 square kilometres, it is renowned for its diverse landscapes, from open savannahs to semi-arid plains and lush greenery along the Galana River.

As we depart from the vibrant port city of Mombasa, we'll traverse through stunning landscapes, showcasing the region's rich biodiversity. Tsavo East is home to a wide range of wildlife, including the iconic African elephants. Did you know that Tsavo is famous for having some of the largest elephant herds in Kenya? Keep your eyes peeled for these gentle giants as they roam freely across the park.

During our game drive, led by our knowledgeable and experienced guide, we'll have the opportunity to encounter a variety of fascinating species. Tsavo East is known for its impressive lion population, so watch out for these majestic predators as they navigate their territory with grace and power. Additionally, keep an eye out for other members of the Big Five, such as buffalo, leopard, and rhino.

As we explore the park's diverse ecosystems, you'll be captivated by the incredible birdlife that inhabits the region. Tsavo East is a paradise for bird enthusiasts, with over 500 recorded species. From colourful bee-eaters and stately ostriches to the distinctive cry of fish eagles, the park's avian residents provide a captivating soundtrack to your adventure.

To ensure your comfort throughout the day, your package includes accommodation with full board. Enjoy a delicious meal while taking in the breath-taking views of the surrounding wilderness. Our transportation
